- Annual „Base Business“ Turnover from my region in 2003-04 had been INR 340 Lacs.+.
- Major Achievements included Securing of a Single Project Order from RIL; Jamnagar valued at INR. 6.45 Crores (USD 1.2 Million) for Automatic Backwash type Filtration system

OVERSEAS SALES RELATED TRAVEL:

Travelled frequently to Pall's Singapore, Beijing, Madrid & Paris offices for various meetings, product integration meetings, new product & application seminars, product launches and training from 2000 to 2003.

6. Resident Sales Engineer, Trueflo Engineers Ltd, New Delhi. (Nov, 1994 - Dec, 1998)

RESIDENT SALES ENGINEER based in NEW DELHI. We were dealing in Industrial Control and ON/OFF Valves. Successful Project Sales to customers in Delhi, Upper Rajasthan, Chandigarh and Punjab. I was catering to Pharmaceutical giants like M/s. Ranbaxy Laboratories and Max Pharmaceuticals & major continuous process industries in the Northern Region of India.

Besides that I had a good experience of appointing Dealers in Northern Region and sustaining the business with them. Making Dealers stock sufficient Quantity of product and getting the payment promptly released was a reputation, I enjoyed with my management in this organization. I was engaged in handling the business independently in Delhi right from generation of the enquiry to the preparation of the Bids, getting the orders released while keeping track of delivery of goods & release of payments. Besides these, new markets were generated wherein no presence of the organization was there before.

7. Sales Engineer - Diffusion Engineers Pvt Ltd, Ahmedabad. (Aug, 1991 - Oct , 1994)

Joined M/s DIFFUSION ENGINEERS (P) Ltd, Bangalore as "Sales Engineer". I was based at Ahmedabad, catering Welding consumables and Equipments to customers in Upper Gujarat, Saurashtra & Southern Rajasthan viz. G.M.D.C. LTD, G.E.B LTD, O.N.G.C. LTD, A. E. Co. LTD, G.M.B. & the private sector. I was selling the welding Electrodes/consumables and the welding machines with on site demonstrations as well as the getting the jobs for the reconditioning/reclamations of the worn out equipments. Had the experience of appointing a Dealer for the company's products and sustained Business throughout the tenure of service with the organization.

Education:

Bachelor in Mechanical Engineering May, 1997 - Jul, 2001
Maharaja Sayajirao University of Vadodara, Gujarat, India
