Experience

Sales and Marketing Engineer

ESMA Industrial Enterprises- Abu Dhabi, UAE.

April 2025 - Current

- Developed and expanded client base across the UAE, focusing on instrumentation solutions for oil & gas and industrial sectors, driving consistent business growth.
- Revived dormant accounts and introduced specialized product lines including Parker Fittings, Autoclave Engineers, CentraVis Tubes, Apollo Valves, Ruelco Switches, IMI Maxseal & Norgren solenoid valves, and Heyco/Hytec Tools, aligning offerings with client needs and market trends.
- Promoted Anvoy Engineering, ESMA's sister company, enhancing its visibility and securing opportunities for design, engineering, and installation of instrumentation systems.
- Executed targeted sales strategies and technical consultations, resulting in increased revenue, improved market share, and strengthened client relationships.
- Prepared technical documentation and competitive proposals for tenders, supported by market research and pricing analysis for high-pressure and critical applications.

Marketing Executive - International Sales (USA & Europe)

Carborundum Universal - Murugappa group

Chennai, Tamil Nadu, India. (August 2024 - April 2025)

- Conducted market research to identify trends and opportunities for product offerings, informing sales strategies and enhancing competitive positioning.
- Maintained records of sales activities, performance metrics, and client feedback to continuously improve sales strategies and customer satisfaction.
- Worked closely with engineering, Quality, and manufacturing teams to align product offerings with market demands and client expectations.
- Managed the preparation of proposals and RFQs, ensuring all technical requirements were addressed to secure business.
- Developed strong relationships with customers, ensuring their needs were met and fostering long-term loyalty & repeat business.
- Assisted Sr. General Manager by preparing technical documentation, proposals, and pricing models related to engineering products and services.
- Developed and implemented comprehensive marketing strategies to achieve competitive market positioning and brand growth.
- Collaborated with procurement and logistics teams to ensure timely delivery of products and services, optimising supply chain efficiency and meeting client deadlines.
- Coordinated with freight forwarders and logistics partners to ensure timely dispatch and delivery of products, meeting client deadlines and optimizing supply chain efficiency.
